

# 35TH ANNUAL HOMEBIRTH AUSTRALIA CONFERENCE

DAY 1

*Saturday 18th November 2023*

## SHARON ROBINSON

*'How far are you willing to go?'*

I hope that by sharing a few of my birth stories, I can help you imagine birthing possibilities that exceed or shift your current perspectives.

I have provided midwifery care to people, mostly women, in the US, Cambodia, Tonga, New Zealand, Benin, Peru and Mexico. I have attended over 1500 births in many different settings including big city hospitals in The Bronx and huts in The Amazon Jungle.

I believe that the "reins for her birth" should never be taken out of a woman's hands.

I will talk some about the risks for a woman (and the midwife) if the woman doesn't choose to adhere to the maternity system's guidelines and protocols and the risks if she does.

Sharon's presentation will take place at 3:10pm on Saturday the 18th of November
